# MEMORIES ARE MADE . . .

**As time has gone by,** many changes have taken place at Ozona High School. Students and teachers began the new year with a move into the newly renovated old, stone, building now renamed the Heritage Building.

Time goes by much too quickly for most students now as they must hurry from one building to another to avoid the tardy bell which doesn't allow much time for conversations with classmates.

The Heritage Building features large, pleasant classrooms with carpeting, and includes computer science, art, and journalism as well as math and English. A mini-auditorium for speech/drama and cosmetology facilities have been added.

The vocational agricultural program expanded with a new project of raising broilers. Also cosmetology was offered in OHS for the first time.

The passage of time saw the athletics program at OHS experiencing ups and downs with a losing football season and winning basketball season for the boys. The athletic year was a mixed one for the girls.

Students grew in maturity as they accepted the additional responsibilities of the "No pass-no play" rule and the TEAMS test. But, students still found time to enjoy socializing on the "drag" and at various dances throughout the year.

As time passes by OHS students will continue to meet whatever challenges will face them at school and later in life.

**Lion fans show true school spirit** as they rally at one of the football games played in Lion Stadium.

**Jesse Fierro holds one** of the broilers which were offered as a FFA project for the first time in OHS.

**Students trek** across the campus from the main high school building to the newly renovated Heritage building.

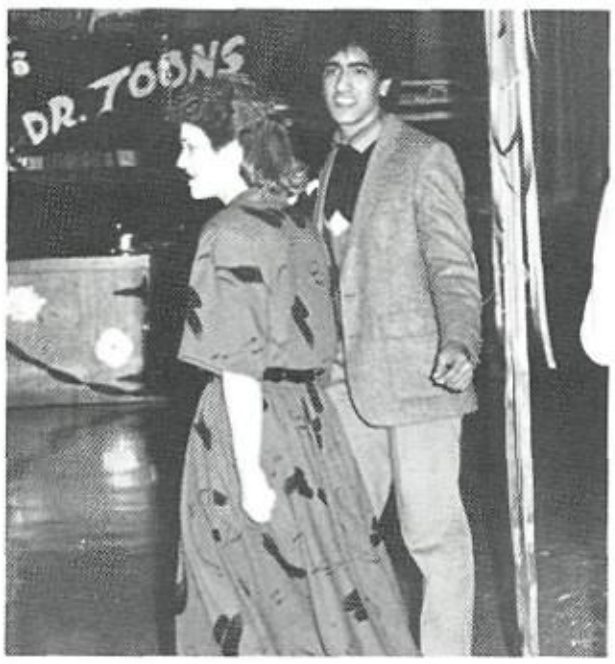
# SENIOR CLASS OFFICERS SHINE

David Adams is the Senior Class President for the 85-86 school year. He is in charge of the Senior Class meetings. John Tom Stokes is the Vice-President of this class. He takes the place of the president when the president is unable to attend his duties. Senior class Secretary is Amy Beth Scoggins who records the minutes of every class meeting. Treasurer Zelda Munoz is in charge of the money made and spent by the class.



**Secretary Amy Beth Scoggins enjoys** dancing with Roger Flores during her free time. She is the daughter of Mr. & Mrs. Jerry Scoggins.

**President David Adams,** Zelda Munoz, treasurer, John Tom Stokes, vice-president, and Amy Beth Scoggins, secretary, all have learned that there are many responsibilities to being a Senior Class officer.

**Treasurer Zelda Munoz,** besides being elected Homecoming Queen, is active in all sports. She is the daughter of Mrs. Stella Munoz.

**Vice-President John Tom Stokes** enjoys being around all of his friends while also trying to keep up his duties.

**President David Adams has** a full schedule but always makes time for Vickie Reagor. He is the son of Mr. and Mrs. Jack Adams.

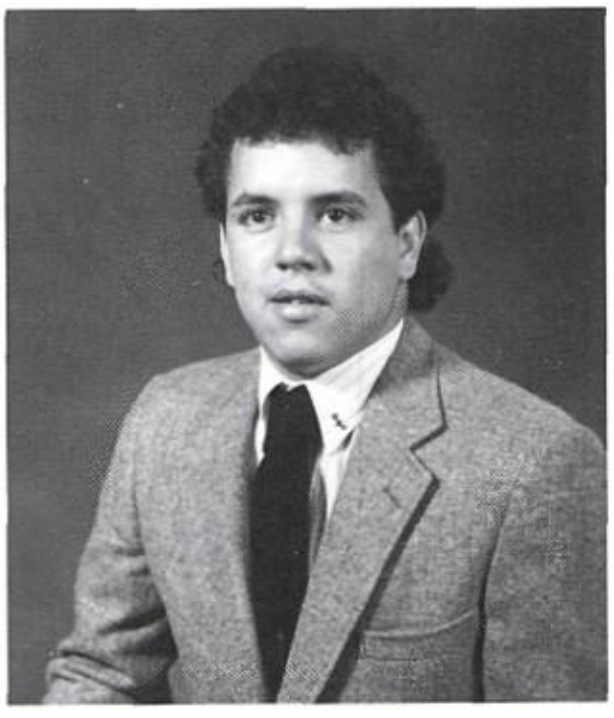
# SENIORS FAVOR . . .

**Senior Class Favorites** Julie Reagor and Blas Vargas, pause for a few minutes during their busy day to have a friendly conversation.

**The 1986 Senior Class chose** Julie Reagor and Blas Vargas as their favorites.

Julie is the daughter of Mr. and Mrs. Billy Reagor. She is a member of the Student Council and is a captain for the Lady Lions' basketball team. Julie has also been a varsity cheerleader for two years.

**Blas is the son** of Mr. and Mrs. Blas Vargas, Sr. He was a team captain for the Ozona Lions during the 1985 football season. Blas is also the vice-president in VICA, Auto-Mechanics and F.F.A. vice-president.

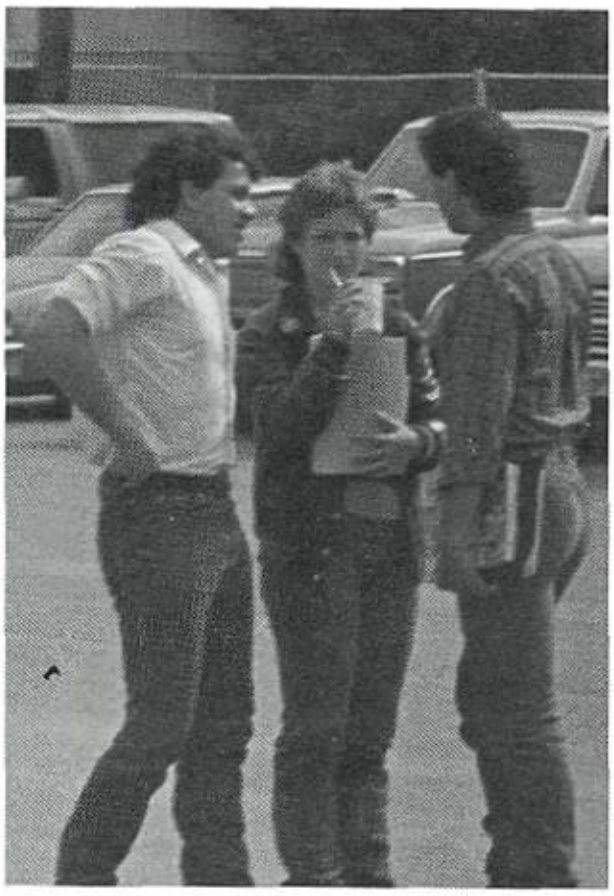


# SENIORS . . . IN THE LIMELIGHT

**On the Road Again** . . . Seniors prepare to board the bus for their long journey to Dallas and Six Flags Over Texas. The Eurythmics song, "Here Comes the Rain Again," would have been a good theme for the trip as showers shortened the venture.

**The Thinker** . . . Brock Jones seems to be i deep thought, but he is still enjoying himse at the Prom.

**What now?** . . . Ty McKinney, David Adams, Andy Dews, Steve Sanchez, and Harvey Fierro try to decide how to launch the Physics Class' sky rocket.



**Torn between two lovers** . . . Blas Vargas, Amy Scoggins, and Steve Sanchez take a break from their studies, but apparently, no one ever told Blas that three's a crowd . . . no one ever told Amy either!

**Get a little closer** . . . Melissa Vargas, Ellie Tijerina, and Jerri Lynn Martinez seem to be posing for a closeup commercial as they share a laugh together between classes.

# Baccalaureate Honors Seniors

**Forty-eight seniors pause** before entering the high school auditorium May 25 for baccalaureate services.

**Looking ahead, not back,** these seniors travel walk the short distance from the gym to the auditorium for the last time.

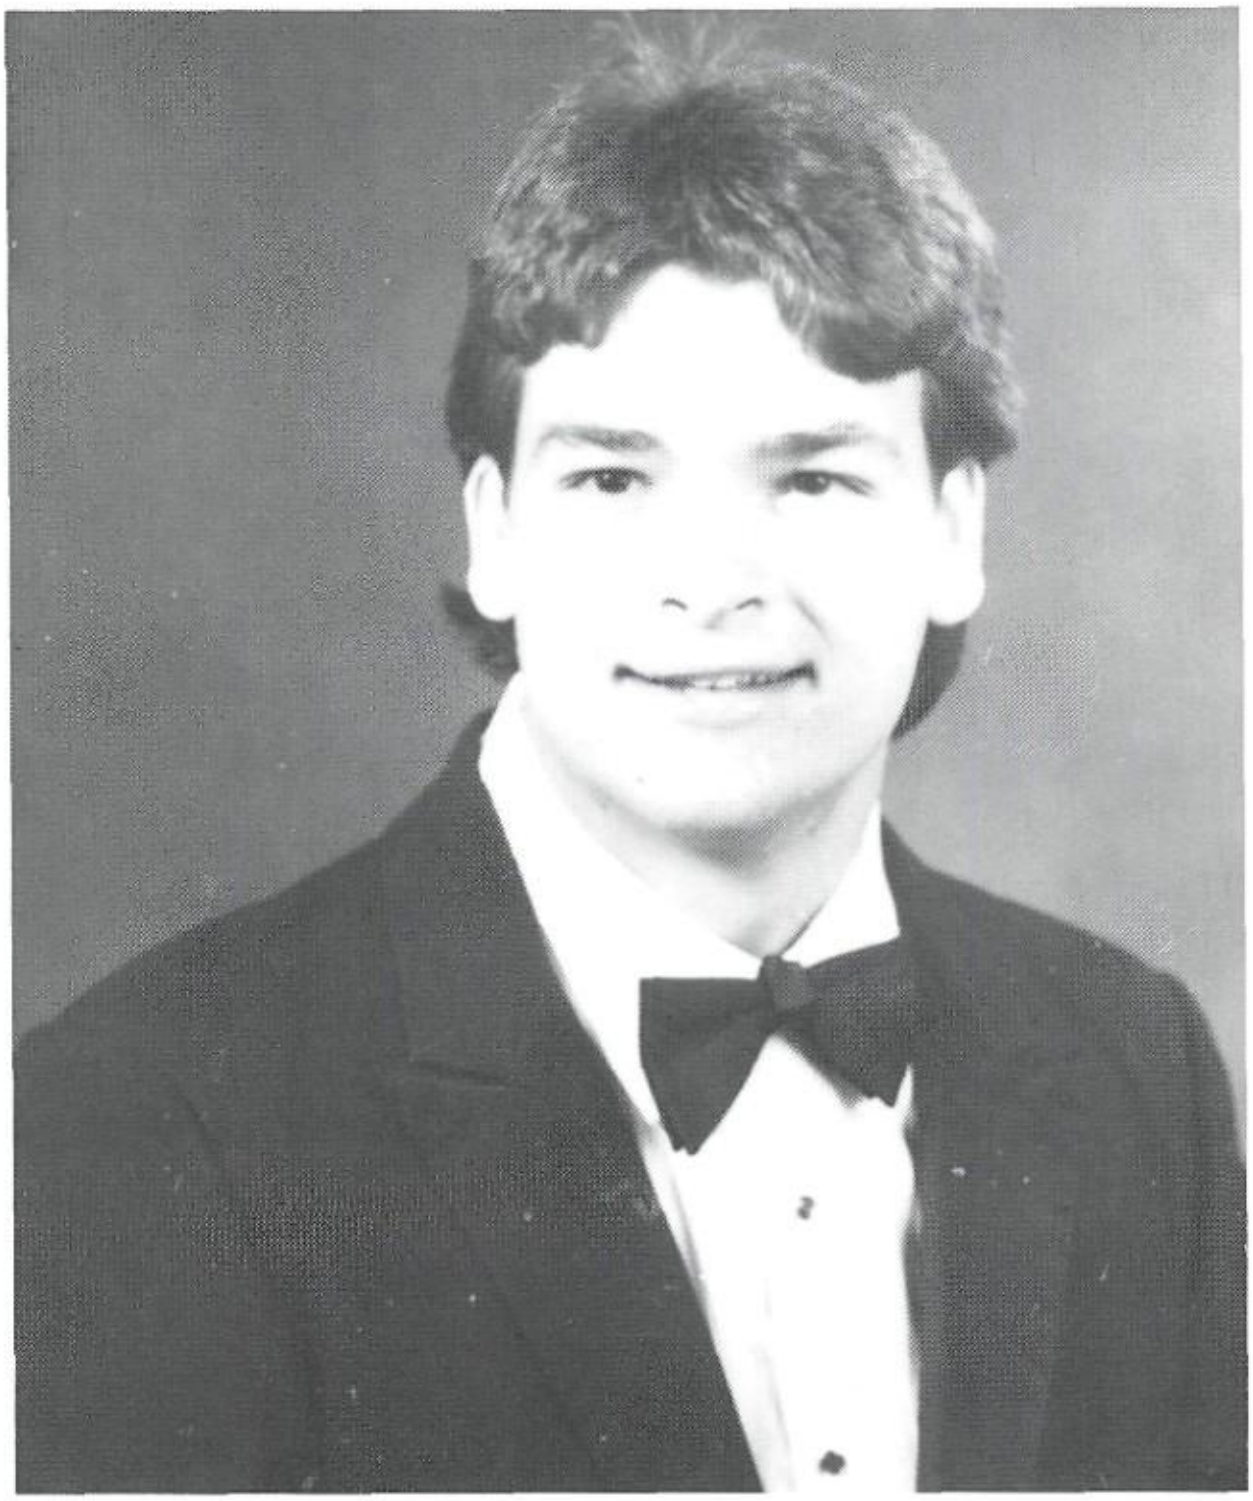
The 46 Ozona High School seniors marched into the high school auditorium Sunday evening for the 1986 baccalaureate service.

The processional and recessional music was *Pomp and Circumstance* played by Barbara Burger.

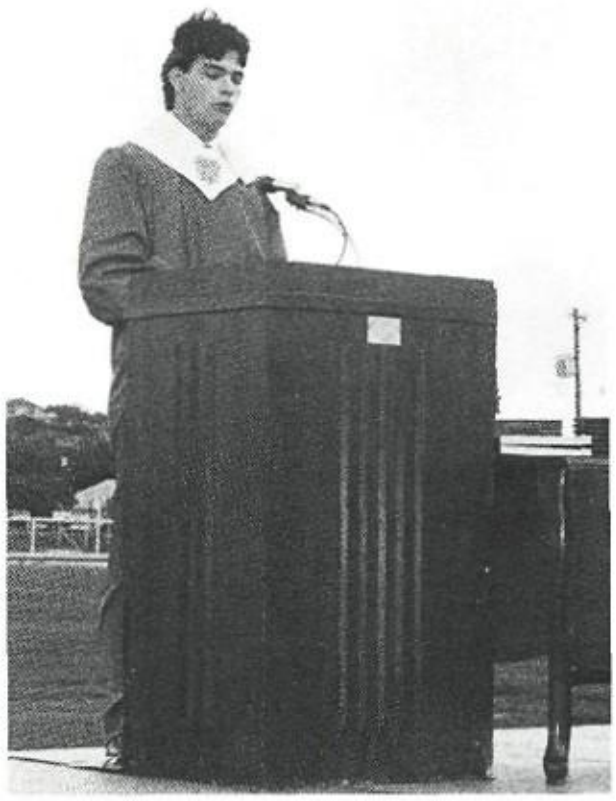
Ken Harrison, pastor of Ozona Methodist Church gave the invocation. The audience and graduates sang *Oh Worship the King*. The sermon was presented by Father Richard Altenbaugh, pastor of Our Lady of Perpetual Help Catholic Church.

The sermon was followed by another hymn, *Blest Be the Tie*. The benediction was given by First Baptist Church pastor, Jim Gray.

# SALUTATORIAN



**DAVID ADAMS,** son of Mr. and Mrs. Jack Adams, graduates magna cum laude with a four year average of 7.13. David's future plans include Angelo State University. He received a Carr scholarship and a salutatorian certificate.



On behalf of the graduating class of 1986, I would like to take this opportunity to welcome our parents, our relatives, and our friends to our commencement exercises. We are all very proud that we have reached this magnificent goal, but now it is time for us to move on and become productive members of our society.

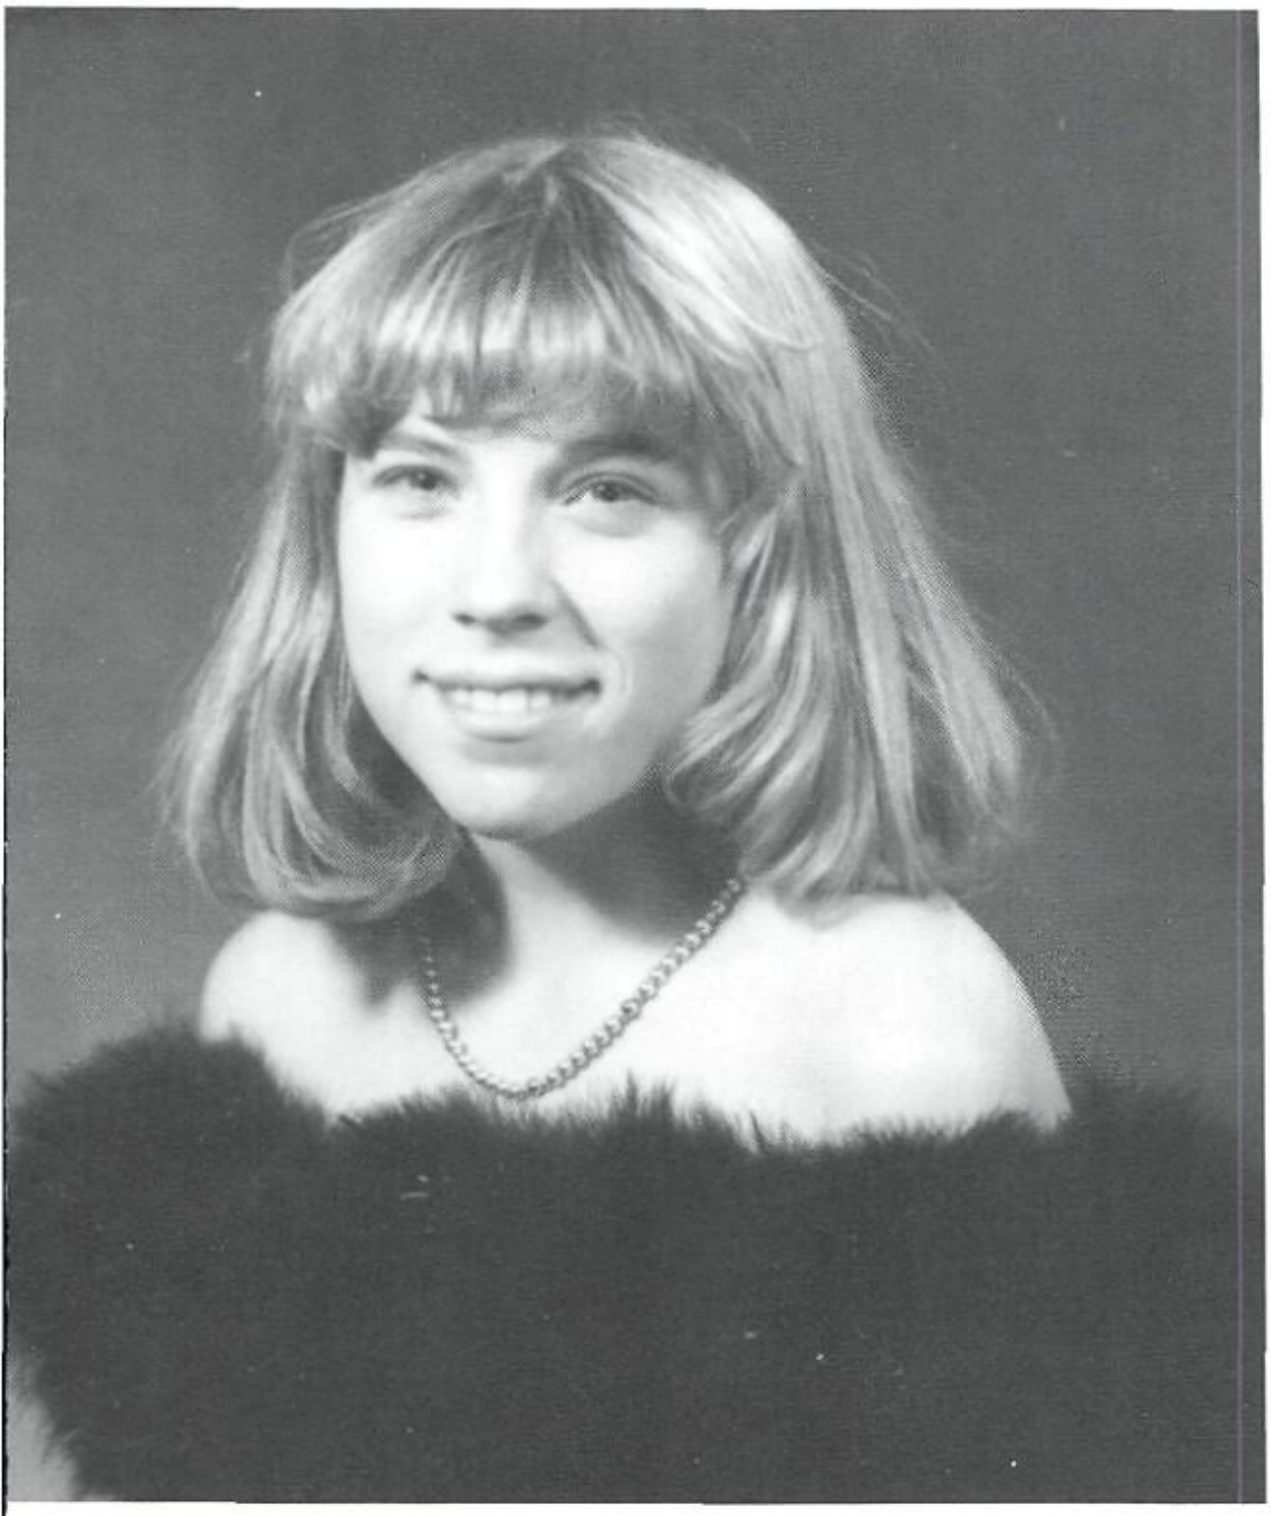
A noted English poet, Robert Browning, once said, "A man's reach must exceed his grasp or what's a heaven for?" For the past thirteen years we have all been struggling for this goal, our high school graduation. But now it is time for us to reach out as far as we can to obtain our ultimate goals. Your mark of duration as an individual is how well you achieve the goals you establish for yourself. It is important that these goals be difficult and challenging. It is also important that your goals include a basic consideration and respect for other people. Take pride in today's accomplishments, for they lead to tomorrow's success.

I would like to thank all of my teachers for their support and guidance throughout the years. But I would especially like to thank my parents and brother and sisters for all the encouragement they have given me, because without them I would have no goals to strive for.

Although we, the class of '86, have accomplished one milestone i our lives, it is time for us to begin again. Our goals have all basically been the same for the past thirteen years, but since we are now going our separate ways, each one of us will have new goals and new perspectives on life. I would like to take this opportunity to wish each and everyone of my classmates the best of luck in whatever they do, and I know they will all do very well. GOD BLESS ALL OF YOU. THANK YOU.

**Salutatory addres by David Adam**

# VALEDICTORIAN



**BONNIE CAMERON,** daughter of Mr. and Mrs. Tom Cameron, has a four year average of 7.24 to graduate magna cum laude. The average is computed on a 1 to 7 scale. Bonnie has future plans to study accounting at Baylor University. She received a valedictory certificate and a Texas state scholarship which is presented to the valedictorian of each high school class

## *Valedictory address*

***If you'll remember always***
***There's no goal you can't achieve***
***If you'll try your very hardest***
***And above all else, believe—***

***Believe that you're a person***
***Who has something good to give—***
***Believe that you can make the world***
***A better place to live—***

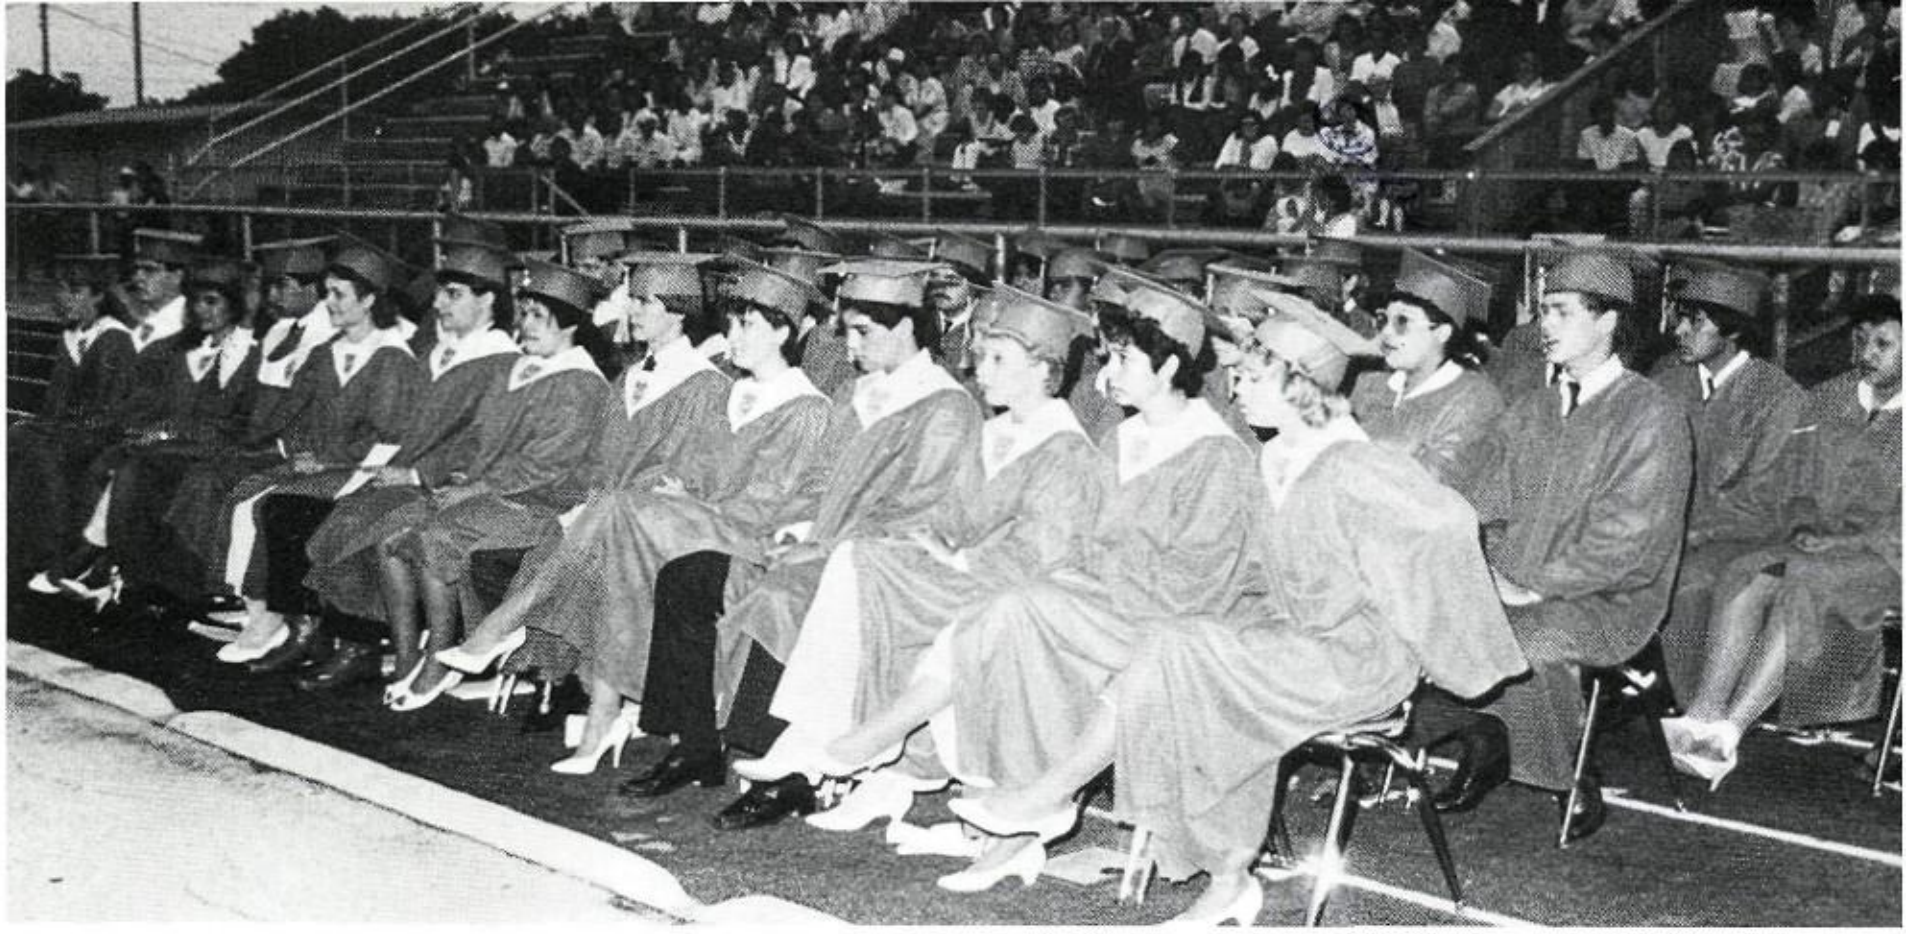
***If you'll believe your talents***
***And your skills are needed, too***
***Then you're sure to find***
***There's nothing in the world***
***You cannot do!***

This poem says much about what we can do to make our lives fulfilling and successful. Each of our aspirations may be different. Some may be planning to further their education and others will be joining the workforce. Whatever we do or wherever we go, we must believe in ourselves to achieve our goals.

In life there is no "certain" outcome. In every contest, chance plays a commanding role. As we leave the comfort of home and the support of our community, we leave with the knowledge that life is indefinite but holds infinitely more rewards than a trophy or a prize. What we have learned thus far will help us to know what our goals are. But ultimately the most important thing we must remember is to "believe in yourself". Strive for the best and highest. Remember your lessons well.

Whatever you wish for the future, wherever your dreams may lead, may you find that they bring you happiness and the courage to succeed. GOOD LUCK AND MAY GOD BLESS YOU.

**Bonnie Cameron**
**at Commencement**

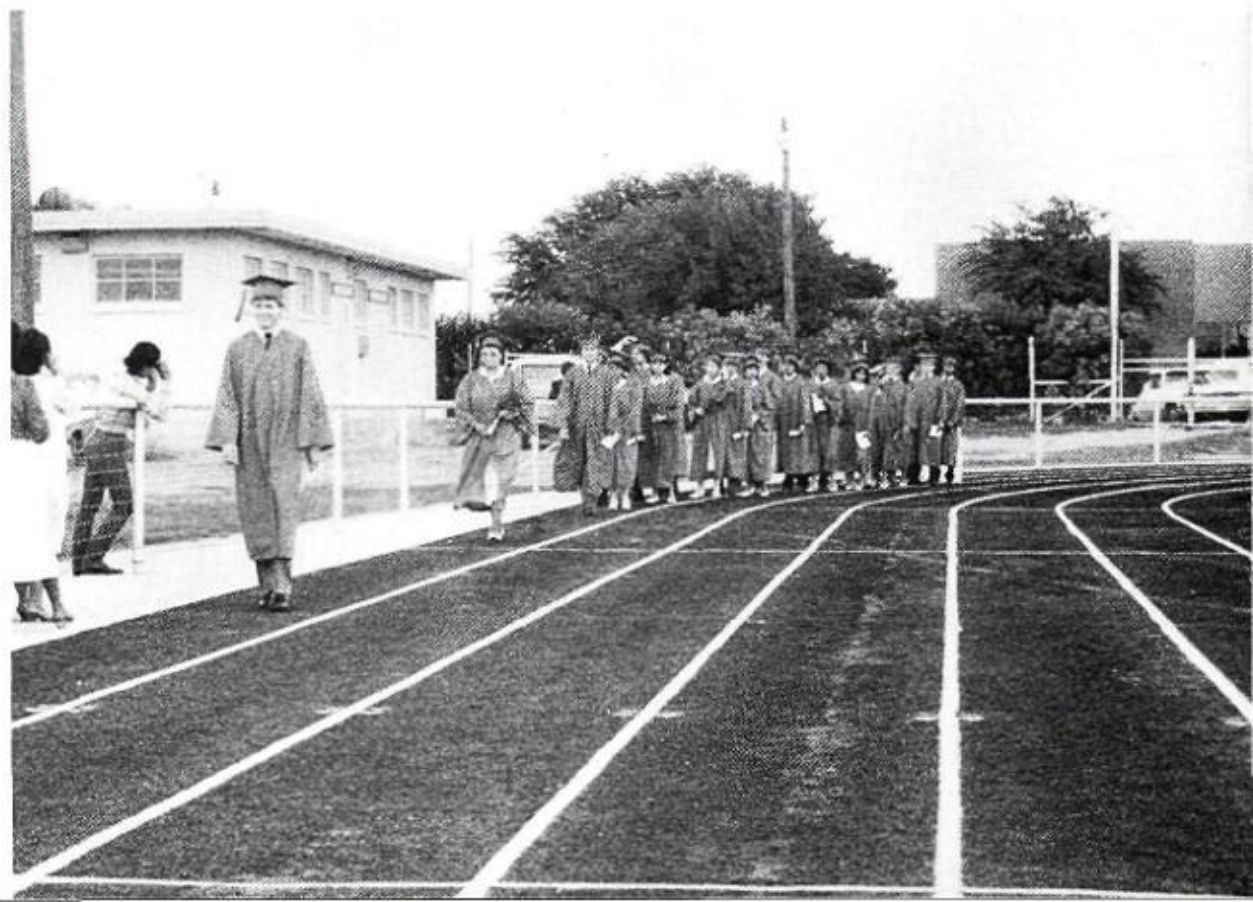


**The big moment has finally arrived!** The graduation class of 1986 sits patiently and listens to various addresses before receiving their long anticipated diplomas.

**Brad Thompson discusses** a few things with Kim Williams and Amy Scoggins. Marty Moran talks to his friends in the background.

**Melody Stark measures** her steps alon the final walk.

**Seniors begin the walk** that ends their high school careers and begins the rest of their lives.

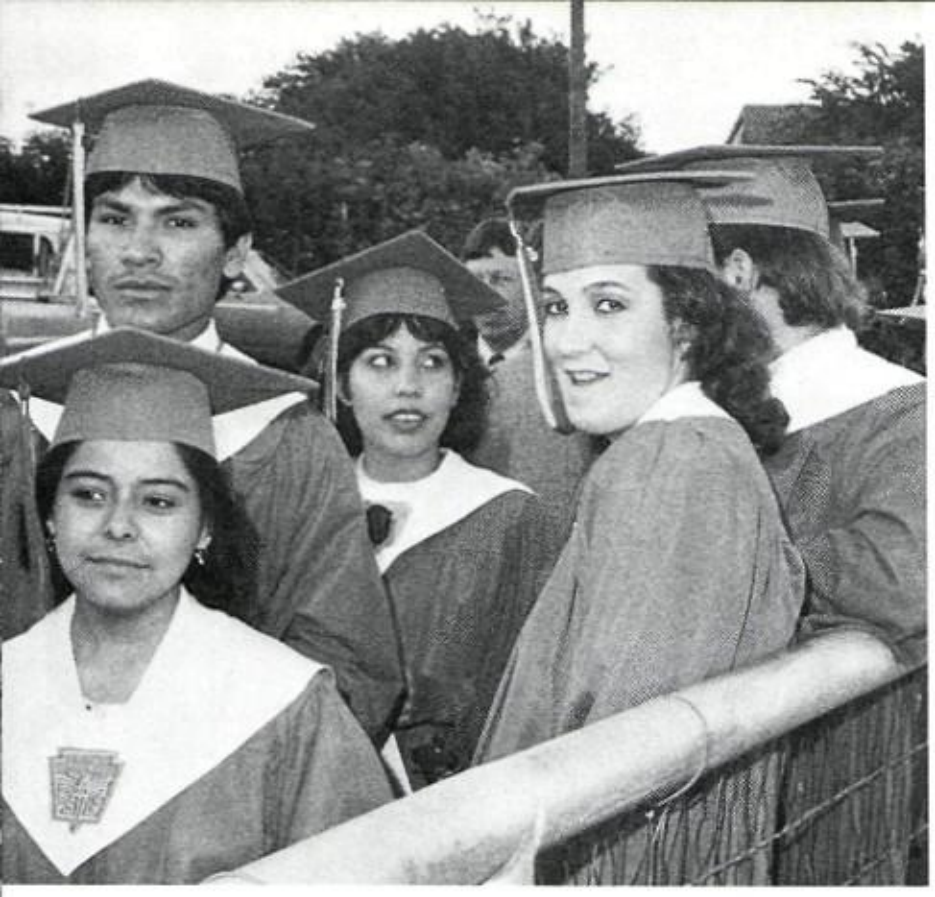


# Graduates Look Back Then Face Future

The commencement of 46 seniors took place in Lion Stadium May 30th. After the familiar processional to the strains of "Pomp and Circumstance", cum laude student Raedene Flores gave the invocation. Salutatorian David Adams welcomed graduates and visitors. Third ranked student Harvey Fierro spoke on "memories", but asked his classmates to remember that what lies within them is more important than what lay behind or may be ahead.

Fourth ranked cum laude student Brad Thompson exhorted his fellows to continue to strive for excellence. The valedictory address by Bonnie Cameron, magna cum laude student, continued the theme of setting goals and striving for excellence.

After students received their various awards, honor student Amy Beth Scoggins closed the program with a benediction. "Pomp and Circumstance" again accompanied the students slow march, this time in the recessional as they turned their backs on the past and look forward to the future.



**Linda Villarreal,** Jesus Hernandez, Valerie Fierro, and Kim Williams wait along the fence surrounding the football field for commencement exercises to begin.

**Amy Beth Scoggins** and Raedene Flores remind all present that "friends are friends forever" in a duet during commencement exercises.

**Jim Payne,** Ozona High School principal, congratulates David Adams as Adams and Steve Sanchez move toward Lu Ingram to receive the Best Citizenship award. The two young men shared the award as co-recipients.

**Victor Newton accepts** his diploma while Sylvia Rodriquez, Bret Thompson, Arturo Gonzalez and Jerrilyn Martinez line up for their diplomas.

# Teachers:

## At Work And Play

**Teachers.** Funny teachers, mean teachers, or boring teachers. No matter how they are, they only have one objective in mind and that is to teach. High school teachers are the main ones to prepare students for college. They work hard to make these students learn what they need to know, whether they go on to college or into the working world.

# Cafeteria and maintenance personnel make our schools pleasant places

Warda Huff saw a generation pass through Ozona schools during the 22 years she worked in the high school cafeteria. Retiring at the end of the 1985-86 school year, Mrs. Huff began as a substitute then worked as a meat cook before assuming the duties of cafeteria manager.

She reflects that more quick foods are featured on the school menus today than in past years. But, students still like very few vegetables. She notes that the students themselves have not changed much throughout the years.

During the 1985-86 school year, from 650 to 750 lunches were served each day at the four school campuses. Cafeteria workers begin preparation of the noon meal at 7 a.m. each day.

The responsibilities of the maintenance personnel increased during the school year with the completion of the renovation of the Heritage Building at the high school campus. These workers must repair and maintain all the school property as well as clean the premises.

They work before and after school as well as throughout the day to keep everything running smoothly for the staff, faculty and students' comfort.

**Cafeteria workers** include (back row) Barbara Meadors, Linda Sessom, Warda Huff, Mary Capps, Nellie Montya, Mary Lou Knox, Colleen Everett, Gertrude Tutor, and Tom Morrow. In the front row are Josie Mendoza, Rafaela Perez, Rosa Rodriquez, Andrietta Borrego, Rosa Sanchez, Delma Ortiz, and Juanita Tijerina.

**Maintenance supervisor** Curtis Keith stands to the left of his work crew. They are (back row) Lionel Martinez, Raymond Maldonado, Joe Ortiz, Elberto Gutierrez, Sam Longoria, Florencio Moran, Roland Pena, and Albert Ortiz. In front are Alice Martinez, Armando Ybarra, Juan Hernandez, Lupe Alvarez, Jorge Diaz and Fernando Galvan.

### A BEST FRIEND'S PRAYER

My Heavenly Father, I know it's not
you who took my friend away.
I know our days are numbered and it
was J. B.'s day.
Please Dear Lord, if you will, give
him the best of care.
By your side is where he needs to
be. Make sure he's always there.
Cause to me he was more than just
a friend, he was always like a
brother.
The fun we had, the love we felt
could never be shared with
another.
I'll never forget his curled tongue
that matched his laughing face.
The way he waddled when he ran is
a memory I can't erase.
I hope that as I live my life I can
show his type of drive.
He took the good; he took the bad;
he was glad to be alive.
And as we go through the years,
please help his friends recall the
way he loved us all.
He exemplified the type of guy who
strived to reach his goals.
And if he wasn't perfect, Lord, in all
our lives there are holes.
But when I needed him the most, he
was always there for me.
When we had death he was there
just like I knew he'd be.
Thank you Lord for this talk, but now
my prayer must end.
Give J. B. all my love cause he's still
. . . my Best Friend.

Amen

# STUDENTS DANCE THEIR HEARTS OUT

Valentine's Day is a time for love, romance, the color red, and bringing two people together. The evening of February 15, 1986 was the date of the annual Valentine's Dance. Everybody was dancing their hearts away to the music of Dr. Toons. The Valentine's Dance was sponsored by the Civic Center Youth Council who decorated the Civic Center with red, pink, and white streamers, hearts, and balloons. The Valentine's Dance was a great success, and the spirit of Saint Valentine was shown throughout the night. Everybody attending seemed to enjoy the night.

# SOMETIMES, IT'S FUN TO SAY 'GOODBYE'

Juniors and seniors gather to recall the memories they have shared throughout their school years. Some of these memories are sad, others funny; some are sentimental. But, students agree that to say "goodbye" is not to forget.

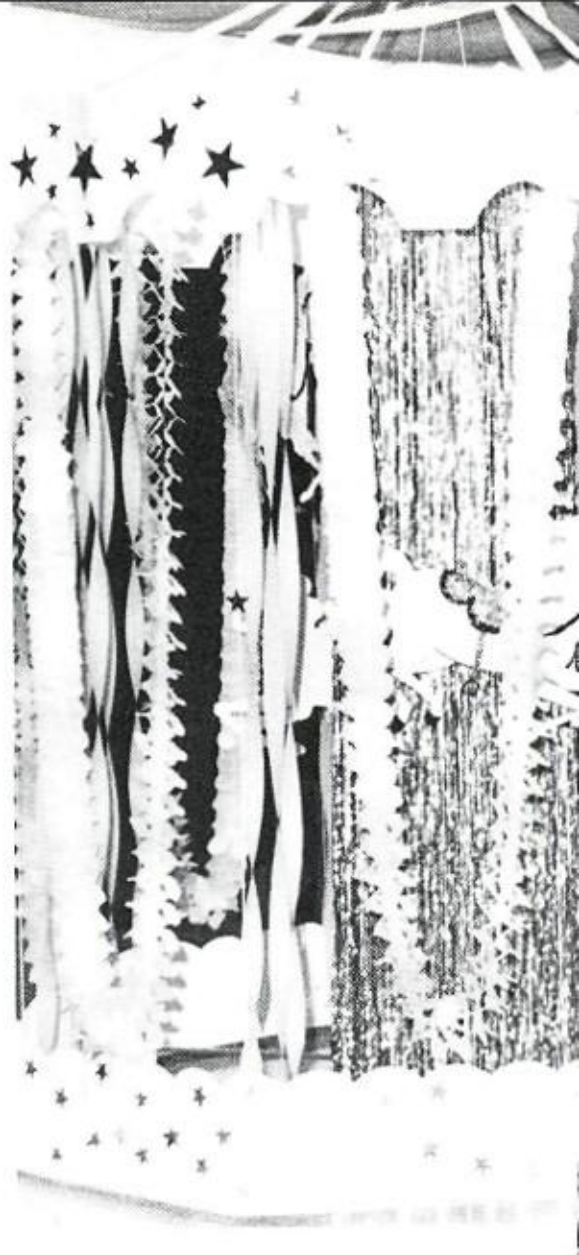
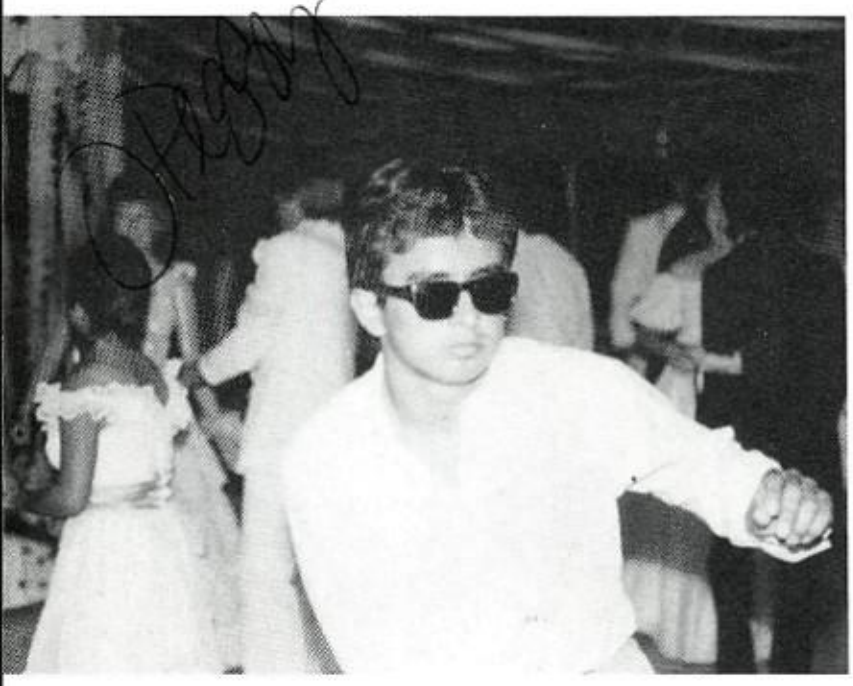
**It's almost time to go home and dress!** Toastmaster Abel Lara and Roger Flores review the program while Diana Sanchez gives the floor a final sweeping before the banquet.

# JUNIORS GIVE PROM TO REMEMBER TO SENIOR CLASS

A place of enchantment was created by the hard-working Junior Class for the Seniors. The walls and ceiling were completely covered in the palest of blue while blue and silver streamers radiated from a large fairy land carousel dominating the room.



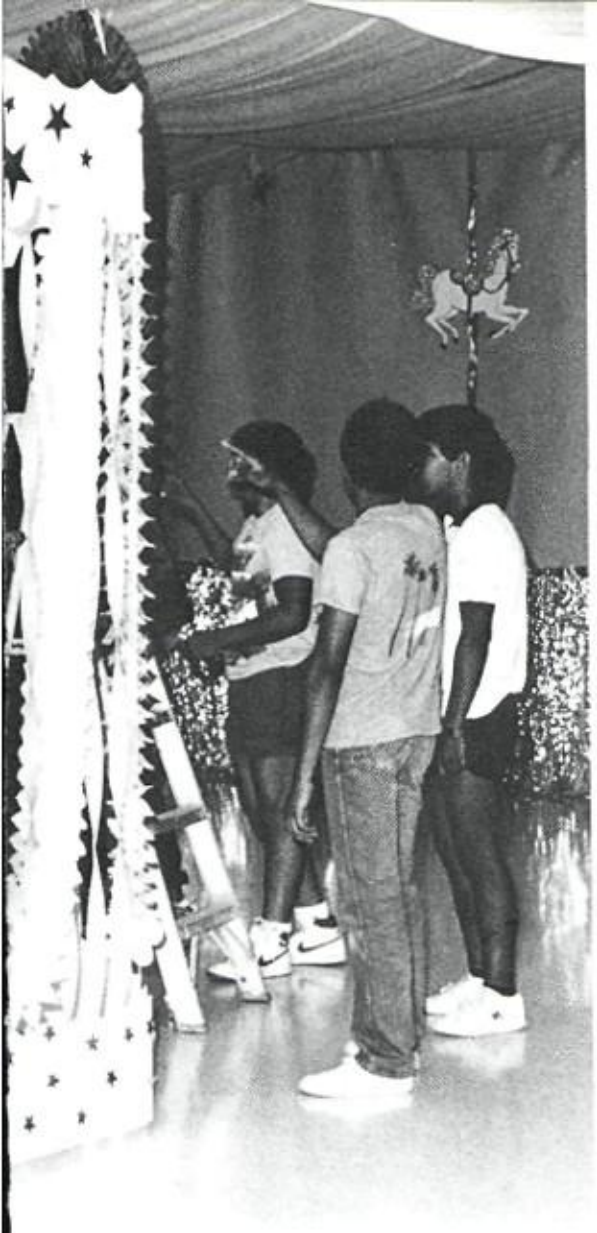
**James Sanchez boogies** the night away but could have been easily mistaken for *Miami Vice's* Crockett in his dark glasses.

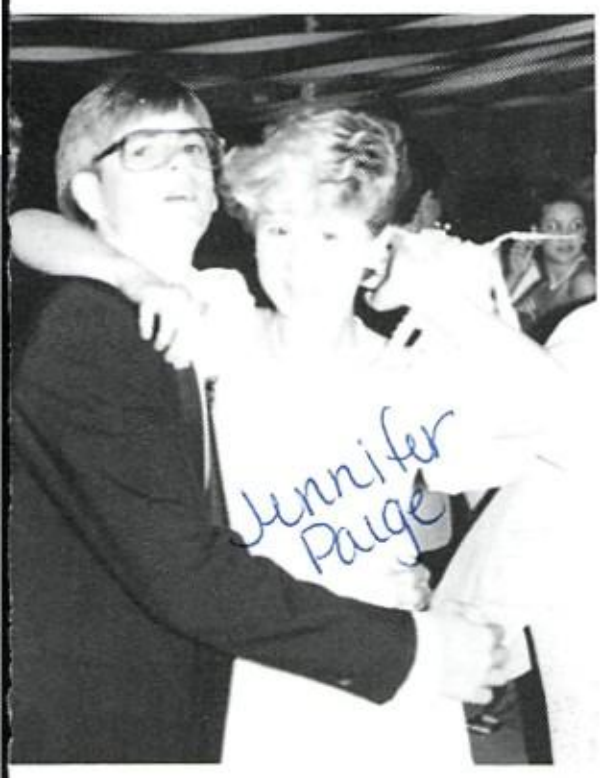


**A junior work crew** makes last minute adjustments to the carousel the day of the Prom.

**All seniors,** these students reflect for a momen about their last Junior-Senior Prom. They ar Zelda Munoz, Bret Thompson, Mark Marshal Jesse Castillo, and Martha Hernandez.

**Chantele Pesson** and Donald Gutierrez ob viously like dancing—and each other. Lacy Mille dances at the right.





**Copie Davis and Jennifer Probst** enjoy a slow, close-up dance as Jennifer worries just a little about whether her hair is presentable for the camera.

**Arturo Gonzalez and Melody Stark** offer brilliant smiles upon receiving their crowns and gifts as Prom King and Queen.

# Groups Enrich Learning

Various group organizations add to the fun of learning. Some groups are closely related to particular classes; others are not. Some are honorary while others are based on interests.

The group organizations at OHS include Vocational Industrial Clubs of America (VICA) for both boys and girls, the LION'S ROAR newspaper staff, National Honor Society (NHS), Future Farmers of America (FFA), Student Council, and University Interscholastic League (UIL).

Eduvina Limon receives the Minnie Wylie Henderson Award for the most outstanding home economics student. Jan North presents the award.

The FFA provides an opportunity to develop leadership and other skills.

The National Honor Society sets the standard for academic excellence at OHS.

The VICA program for girls is new in 1985 and has created great interest.

LION'S ROAR staffers learn journalism practices while producing the school's newspaper.

# 1985 VARSITY LIONS LEARN LESSONS WELL

The Ozona Lions Varsity Team will remember and apply the lessons learned on the playing field long after the 1985 Football Season has been forgotten.

As the smallest school with the lightest players in the district, the Lions had the odds against them from the outset. But team members agreed that they gained from their football season despite a 2-8 record.

The effort put forth by the team surpassed their record. Their optimistic attitudes are, perhaps, best reflected in the comments of some of the senior players.

"I wouldn't trade this season for anything," said Bret Thompson, a senior tackle.

"We had a fun season," quarterback Steve Sanchez said. "The coaches taught us a lot, and the year went by fast."

"We are all winners in some way," captain David Adams said, summing up the season.

**The Ozona High School Boys' Golf Team** consists of Andy Dews, Copie Davis, Keith Fowler, Bret Hood, J. J. Baker, Will Seahorn, Scott Westmoreland, Diron Holt, Bryan Harms, Ty McKinney, and Victor Newton. These young lads had a great season by placing tops at nearly all the tournaments. Coach "Rip" Sewell was very proud of the boys' success and hopes that the success will continue for many years to come. The golf team had five all-district players: Diron Holt, Ty McKinney, Bret Hood, Will Seahorn, and Copie Davis. Diron Holt was the only all-regional golfer.

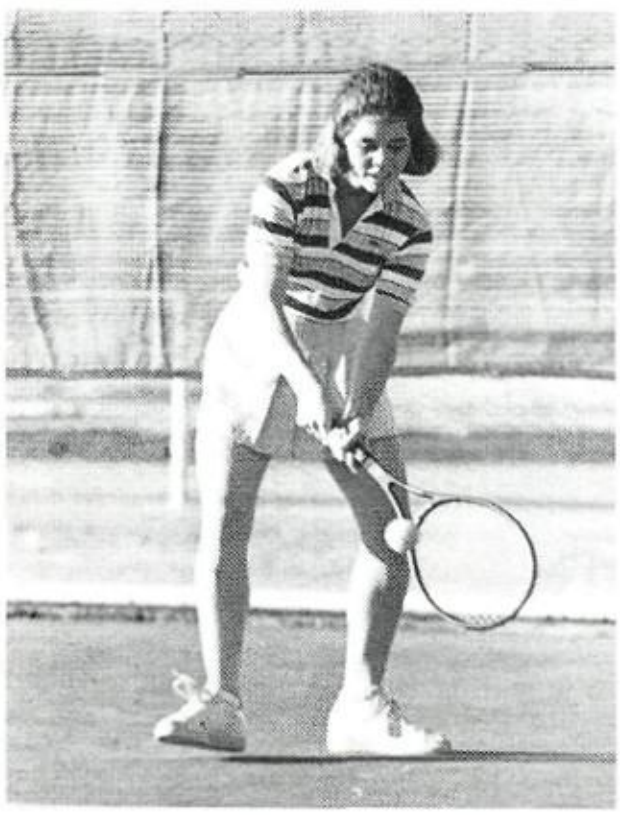
# PLAYERS PROGRESS WITH PRACTICE

Tennis is an active sport in Ozona High with netters participating in 10 scheduled meets and tournaments.

In district play Bonnie Cameron advanced to regionals as did the doubles team of Amy Jones and Julie Reagor. None advanced to state.

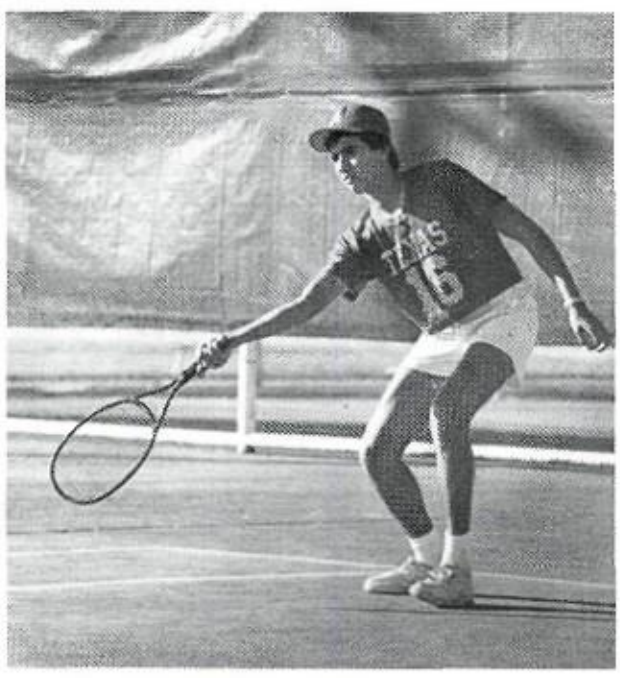
"I am proud of the whole tennis team and their accomplishments," Coach Jerry Tucker said. "They all made improvement and it was evident."

**Ozona tennis players support** their teammates by cheering from the sidelines. Marcos Gonzales, Mark Sellers and Mark Sanchez look for places on the bench while Travis Burks steps onto the court.

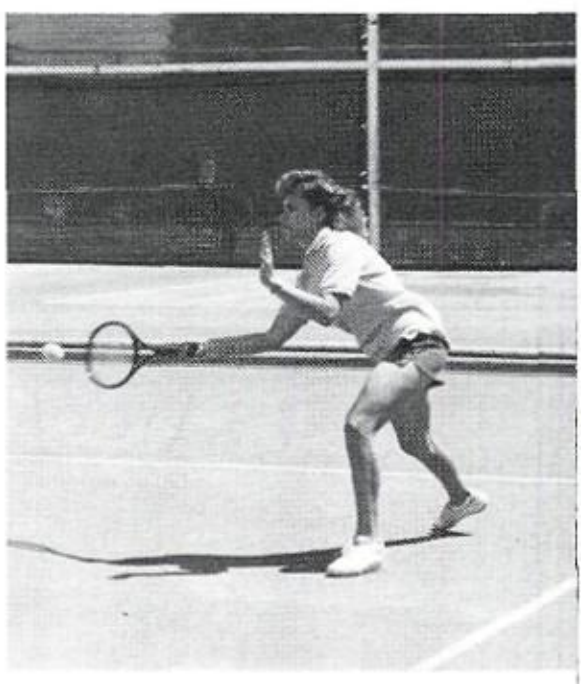


**Sharon McCrohan adopts a somewhat unorthodox position** as she dips low for the ball.

**T. C. Tucker puts a lot of "omph"** into his backhand on the Ozona courts.



**Jim Etheridge gauges** the ball's distance and speed as he reaches to make contact.



**Jena Allen makes a good return** by swi ing just right.

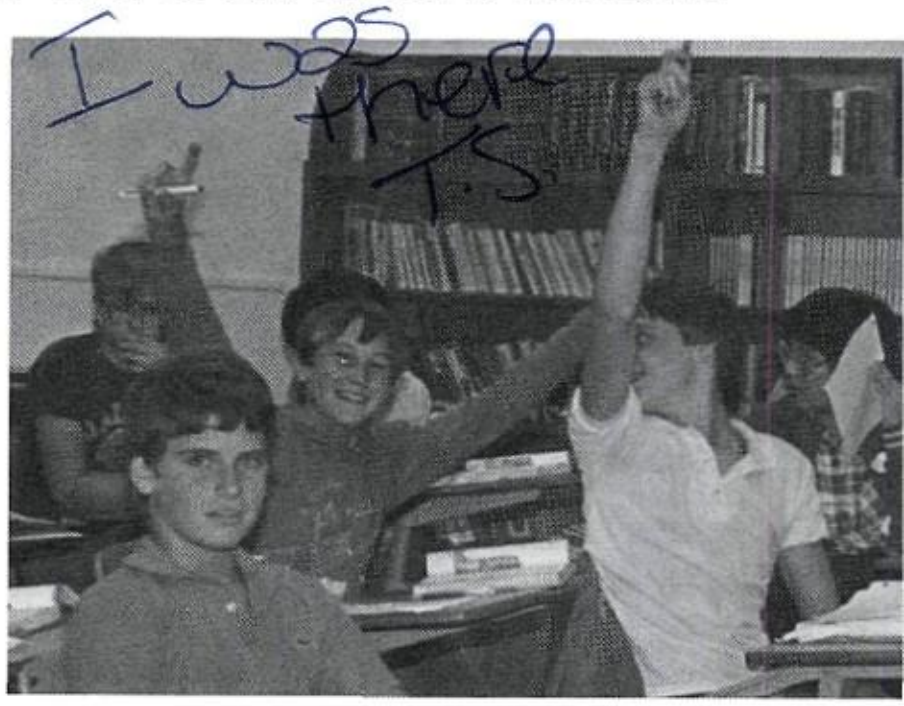
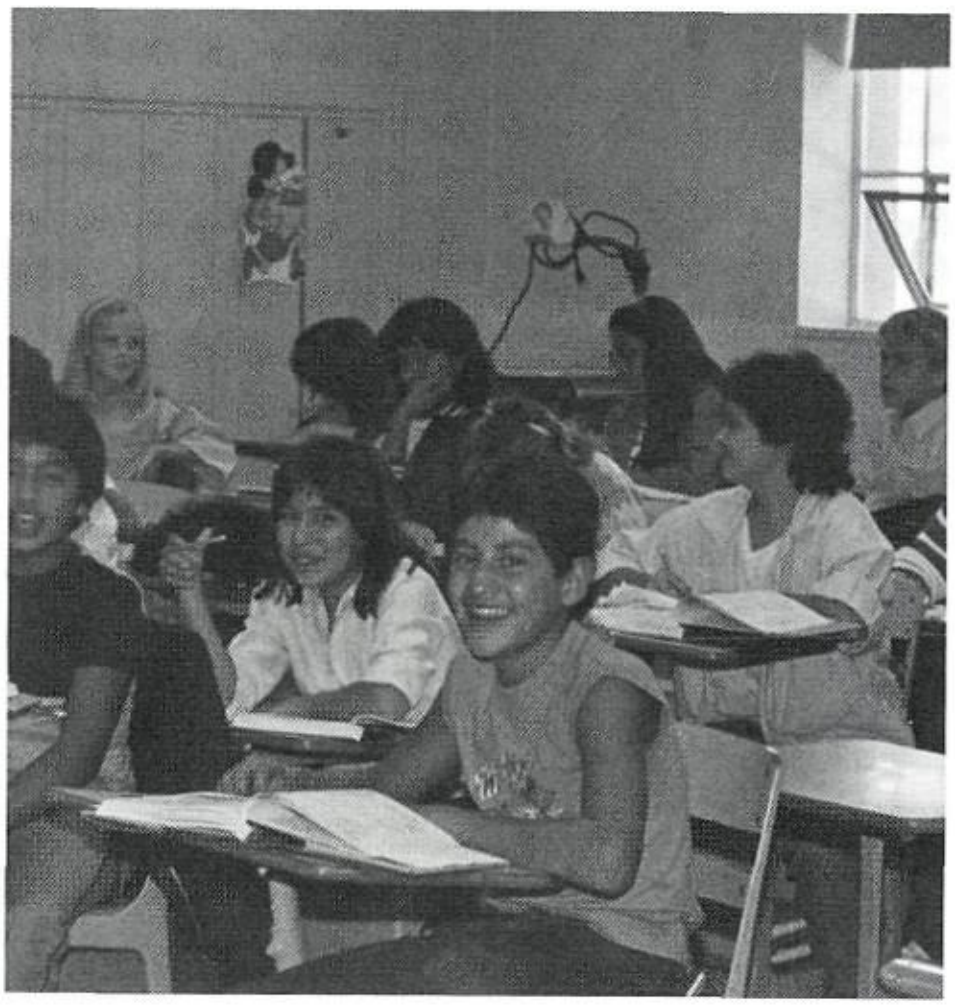
# Junior High

# AS TIME GOES BY IN JUNIOR HIGH

Not only can high school be fun but so can junior high. As time goes by, we can see the 6th graders following the steps of the 7th graders following the steps of the 8th graders. Junior high—is one leap toward the "big time" . . . high school!



**Chris Denman would rather look** at Martin Childress, while he and Andy Stokes would rather look at the camera than do schoolwork.



**These 7th graders seem** to be mature-looking students, but Kimberly Coy and Lonnie Martinez don't think so.

**Despite the laughter** of David Longoria and Aristeo Duenes, Ran Wilson is attentive to what's going on in the gym.

**Mark Fierro, Albert Talamantez,** Martin Urbina, Cody Pearson, Angel Hernandez, and Jason Vitela have different expressions on their fac since they do not know quite how to react to the spirit of the pep rally.

**Every test day,** the 8th graders gather around Mrs. Mary Nations' desk to see what kind of grade they made on the test. We've captured the horrified look on her face while she grades a bad paper.

**"Gee, I don't have to wave** to look cute in a picture," thinks Mark Ramirez (center), while the other 6th graders must wave excessively just to get the attention.

***The cheerleaders,*** *Mikki Ramirez, Kelly* Williams, Terry Vargas, Anna Borrego, and Brenda Rodriguez, build a pyramid at a pep rally after the 8th grade band entertains the audience.

# THANKS TO OUR SPONSORS

THE 1985-86 LION yearbook staff expresses gratitude to our yearbook sponsors. We would also like to acknowledge those individuals and businesses whose donations were above the miniumum amount for which we asked. Those names appear in boldface type.

The financial support and interest of our sponsors has helped to make **the** 1985-86 LION a reality.

Another debt of gratitude is owed to Mr. Scotty Moore of Crockett County News-Press. Scotty has been kind enough to share pictures from the newspaper's file when we were lacking pictures.

Again we would like to say, **"Thank you, Ozona, for all your support."**
